

Support the future of healthcare

WHO WE ARE

HOSA- Future Health Professionals is a nationally recognized, student-led organization dedicated to empowering the next generation of medical professionals. At Kingwood High School, HOSA supports over 400 student members to explore careers in healthcare through hands-on experiences, competitive events, and leadership development.

OUR MISSION

We provide students with opportunities to compete, lead, and grow. Our members attend Area, State, and International conferences where they showcase their knowledge, sharpen their skills, and learn directly from industry professionals.

However, our district does not fund these transformative opportunities.

WHY YOUR SUPPORT IS VITAL

That's where you come in. Your sponsorship helps cover the cost of travel, lodging, registration fees, and more, removing financial barriers for students who dream of serving others. These are tomorrow's nurses, doctors, therapists, EMTs, and researchers. The people who will one day take care of your family, your neighbors, and you.

WHAT YOU GAIN AS A SPONSOR

- Community Recognition** – Show your business's commitment to the next generation.
- Brand Exposure** – Your logo featured on shirts worn by 400+ students at school and every competition all year long.
- Direct Engagement** – Speak directly to students and their families at general meetings and events.
- Digital Shoutouts** – Reach thousands via our active HOSA social media channels.
